Any cotton grower having planted cotton in the year 2019 within the zone defined above is eligible to vote, and, if he or she resides in the Southern High Plains Caprock Zone and has at least seven years experience as a cotton grower, can have his or her name placed on the ballot as a candidate in the board member election. A cotton grower is defined as a person who grows cotton intended to be commercial cotton. The term includes an individual who, as owner, landlord, tenant or sharecropper, is entitled to share in the cotton grown and available for marketing from the farm, or share in the proceeds from the sale of the cotton from the farm or from an indemnity or other payment received from or related to the planting, growing, or failure of the cotton. Any person eligible to vote in the board member election that resides in the Southern High Plains Caprock Zone and meets the seven-year experience requirement may place their name in nomination for election to the Texas Boll Weevil Eradication Foundation Board by written application to the Department at the address provided below. Nomination forms are provided by the Department and must be signed by the nominee and at least ten other eligible voters. **The nomination form must be received by the Department at its office located in Austin by September 20, 2020 and must provide the legal residence of the applicant.** A nomination form may be obtained by contacting the Department office or any county agent located in the voting area.
